

Nomination by Petition

This is necessary only if you choose to run without being nominated by the Board of Directors. You must attend either the February (preferred) or March 2021 Board meeting and you are encouraged to meet with the Nominations & Process committee prior to the March Board meeting.

Additionally, you must get signatures and member numbers of at least fifty (50) members in good standing; return that list along with the rest of the packet material to the Customer Service desk at the Co-op West Main by March 1, 2021. Forms for the signatures are available at the Co-op West Main's Customer Service desk.

Example:

Member Name & Number	Date	Signature
John Smith 400004856	1/29/21	<i>John Smith</i>

I, _____ (name), declare that I am running by petition for a General Membership position on the Board of Directors.
